

DANUBE SWABIAN ASSOCIATION OF PHILADELPHIA
1277 Southampton Road
Philadelphia, PA 19116

Welcome to all our Soccer Teams both new and returning. We are happy to have you play for us and join us, not only to play Soccer but for any or all of our Club activities.

Perhaps for some of you, the membership process has changed from prior years.

A brief explanation:

It is important to remember that Danubia is a private Club for members and their guests. We are set up that way and our liquor license is based on that. That is why we require each player (or a parent or guardian if they are under 21) to become a member. We must abide by certain requirements.

In order to stay in compliance, we need to have an application on file for each member. If you add a player during the year, you should have them complete an application and forward it along with the \$30.00 fee to the Club's Membership Secretary.

This does entail more paperwork, but it is necessary.

Thank you for your cooperation and *See you at the Club.*
